MYAGENT CONNECTOR

OUR SERVICE

Online Marketing

Marketing materials such as a **Single Property Website** and a **Property Text Code** are created automatically when you upload listings.

Real Estate Tools

Tools for real estate professionals come free with your MyAgentConnector account. Sign up now to access your **Digital Business Card** and **Open House App**!

Lead Capture

MyAgentConnector notifies you of leads captured from your **Property Text Code**, **Open House App**, **Single Property Website, and Facebook Posts!**

Social Media Posting

Generate more exposure for your listings by posting them to **Facebook.** Once posted to Facebook, it can be boosted to generate even more leads!

About Us

MyAgentConnector is a website designed to assist in creating free online marketing for real estate listings. Our marketing materials and tools use innovative technology to help you showcase your listings for greater online exposure, all while saving time and money.
